FOREWORD

For twelve years we have been putting down deep roots into the cultural earth. We have grown in knowledge and in understanding of the truth. With sympathetic and understanding heart, we have reached out to touch the hand of all mankind. We are prepared to weather the storms which buffet the forest with drenching rains and icy blasts. Whatever life may offer, we shall look forward to the sun — hopeful, confident, secure in our strength.

DEDICATION

Throughout our high school days Mr. Nelson has shown a sincere interest in each of us as individuals and has helped us determine more clearly our goals. With patient counseling he has encouraged us when we were troubled; he has inspired the faltering one to greater effort; he has given to all of us a measure of self-confidence.

* Non-league Games

JV and Varsity basketball teams have boosted OAHS with ties for second place in the Southern Chester County League. Our boys have displayed much ability and sportsmanship and have furnished an exciting season for us.

Sam Webster, captain of the Varsity squad, brought further honor to our school when he was chosen as one of the ten best players in all of Chester County.

APPRECIATION

The 1962 Kernel Staff wishes to express its appreciation to all who have helped in the production of our yearbook.

We thank the Administration and Faculty for their patience, their understanding and their fine cooperation.

We are also most grateful to those seniors who were not on the staff but who worked hard and long for the Kernel.

We extend our deep appreciation to our loyal patrons.

A grateful salute to all of these who have made our yearbook possible.
